

MetaMoji Press Kit – 2014

OVERVIEW: NOTE ANYTIME

Note Anytime is a cross-platform note taking app, PDF annotation tool, and a digital scrapbook for your life. Sketch your ideas visually with stylish pens and ink, take notes, or annotate imported Office and PDF documents.

Virtual whiteboard

Note Anytime is a virtual whiteboard for sketching, annotation, scrapbooking or digital mashup. Premium upgrades include voice recording, handwriting recognition and text conversion, automatic synchronization of documents, and a shared drive.

Mobile platforms

Note Anytime is the only note-taking app available across all major mobile platforms. Winner of multiple awards: Tabby Award for Best Personal Productivity App - Silver Stevie® Award for International Business - Finalist for Appy Award for Productivity - #1 Productivity App in Japan

Capture, share, and access your inspiration anywhere, anytime!

Key Features

- Intuitive and flexible navigation
- Take notes or sketch your ideas with a variety of pens, paper layouts and graphics, including calligraphy pens and special pastel inks

- 50X scaling ability - scale your document up to a whiteboard or down to a sticky note while still maintaining 100% visual integrity
- Import a PDF file, mark it up as needed, and save it as another PDF file
- Share creations by email or upload to Twitter, Facebook or Tumblr
- Sync all folders or selected folders to Digital Cabinet, a cloud service that allows you to save and manage your documents (up to 2GB for free)
- Save drawings as individual JPEG graphics in the items library for later use
- Scale, rotate, or move text boxes anywhere in your work space
- Interactively browse the web from within the app and mark up sites
- Built-in spell checker
- Premium feature: Voice recording and audio editing to associate sound bits to pages or parts of your document or composition.
- Premium feature: Handwriting Recognition - mazelc (13 languages) - converts handwritten text to typed text on the fly or later with this conversion engine.

Note Anytime Lite is free to download and use. Note Anytime (\$4.99) adds the great features above, along with voice memo and audio editing, advanced cloud storage, auto sync, text formatting, and password protection capabilities. Paid users also have unlimited access to optional inks, premium items, papers and note styles for more professional results.
