MetaMoJi Adds Rich Editing to Their Sketchbook Note Anytime for Windows

MetaMoJi's note taking and sketching app Note Anytime gets an update with richer text editing and formatting options and a premium plugin with advanced handwriting.

Palo Alto, CA ([PRWEB](#)) April 09, 2014 -- MetaMoJi has included richer text editing and sketching capabilities to its update of Note Anytime on Windows 8. New features in Note Anytime 2.1 include more a wider variety of pens (highlighters, fountain pens and brushes), text formatting and spellcheck enhancements for document editing and password protection for notes and folders within the Digital Cabinet in-app cloud storage. Note Anytime 2.1 ups the ante in note taking productivity across all platforms. Users can download Note Anytime (list price of $4.99) or Note Anytime Lite (free) on all Windows devices.

Note Anytime is a cross platform note taker, sketchbook and whiteboard app for all Windows mobile devices. Take notes or To Do lists, or import files in PDF format. Use the app as a high resolution sketchbook with a vast color wheel palette, pastel colors and advanced calligraphy pens. Note Anytime is a highly visual virtual whiteboard for sketching, annotation, scrapbooking or digital mashup.

Note Anytime is the only note-taking app available across all major mobile platforms. Winner of multiple awards: Tabby Award for Best Personal Productivity App - Silver Stevie® Award for International Business - Finalist for Appy Award for Productivity - #1 Productivity App in Japan

Note Anytime Lite is free to download and use. This version, Note Anytime Paid ($4.99), has following advanced capabilities:
• Write, sketch or draw notes with a variety of pens, paper layouts and graphics, including calligraphy pens and special inks from a vast color palette.
• New pens styles include highlighter pens, fountain pens and even brushes.
• Different text styles have been added, including the option to add bullets, increase/decrease indents, change text box background colors and italicize fonts.
• Note Anytime 2.1 improves the zoom box with added "Line Ratio" and "Frame Ratio" options. "Frame Ratio" options are used to specify the vertical distance (or ratio) when a user taps the return key on the zoom box. "Line Ratio" (available only with lined papers) specifies how many lines the return key is jumped.
• Scale, rotate, or move text boxes anywhere in your work space.
• Interactively browse the web from within the app and mark up sites.
• Easily correct typo errors with built-in spell checker.
• Laser pointer for presentation.
• Password protect your notes to ensure your information is kept safe.
• Scale your document up to a whiteboard or down to a sticky note while still maintaining 100% visual integrity with up to 50X zoom capability and vector graphic resolution quality.
• Share creations by email or upload to Twitter, Facebook or Tumblr.
• Easy file storing and sync files and folders to Digital Cabinet, a cloud service that allows you to save and manage your documents (up to 2GB for free).
• Save drawings as individual JPEG graphics in the items library for later use.
